police officer

friend or neighbor

someone you know

know about yourself

full name

address

phone number

A Closer Look

1. How would **you** get help if lost?

2. What is your

- name?
- address?
- phone number?

3. Reread the story.

What are some other things you should know in case you get lost on a field trip?

4. What should you do if someone else is lost?
