

Being Polite

It's polite to say . . .

"Please" when you ask for something.

"Thank you" when someone does something nice for you.

"You're welcome" when someone thanks you.

A Closer Look

1. What do **you** say to be polite?
2. Why does it feel good when someone says "please," "thank you," and "you're welcome"?
3. When is the last time that you said "thank you" to someone? What did that person do for you?
4. When is the last time you were thanked? Why were you thanked? What did you say?
5. Act out playing school. Have the characters use the words "please," "thank you," and "you're welcome."
