

Making Decisions

A Closer Look

1. How do **you** make decisions?
2. Remember a decision that you had to make.
What did you want to do?
3. Did you ever have to change your decision?
What happened?
4. Play pretend. Ask your teddy bear which of two things he would like to do. First pretend that he can't make a decision. Then pretend that he can. Try some other decisions.
