Notable Quote? "Carlos. That's ME!"

¡Hola! My name is Carlos. I am a little quiet in class—at least next to Percy and Ajay! I like to play on the computer at school. Sometimes, Miss Cathy, our teacher, asks me to help her! My favorite place in See-and-Learn City is the intersection of Long Lane and Ribbon Road: That's my house! Stuart J. Murphy writes stories about me and all my friends. Isn't that neat?

Woof!
